

WRAPAROUND CARE

Our wraparound care is run by a team of Fully Qualified Early Years Practitioners who all hold a Paediatric First Aid Certificate.

Breakfast Club – Children can be dropped off any time from the start of the session (7:30am). Children are provided with a choice of toast and/or cereals and a drink of milk or water. Children have access to a variety of activities during the session and staff will support with homework or reading. At the end of the session, all children are escorted by a member of our team to their classroom.

After School Club – Children are collected from their classroom and escorted into the club by a member of the team. Children have access to both the indoor and outdoor area during the session and a variety of games, craft activities, cooking activities, etc. are also on offer. Children are provided with a light tea and a choice of water or milk between 4-4.30pm. Parents can collect at any time up until 6pm.

Holiday Club – We are open every school holiday apart from the week between Christmas and New Year. We organize a variety of activities including cooking, craft, dance and sports each holiday and of course children have access to both indoor and outside play areas. Each week has a different 'theme' throughout the year – for example our 6-week holiday program this year consists of weeks such as 'The Great Outdoors', 'Circus, Circus', 'The Great Clopton Cook Off', to name just a few. We aim to cater for all different interests, but if there is something that your child is particularly interested in – just speak to a member of the team who will happily organize an activity to suit them.
