

An Introduction to our online payment system.

ParentPay is an online payment system for schools. It allows parents to pay quickly and securely for school meals, music lessons, trips and activities. Our school uses this system for communicating with parents, all letters, newsletters etc are emailed through ParentPay.

What does ParentPay do?

- Offers a highly secure payment site
- Allows you to create a single account login across all your children that attend a ParentPay school.
- Shows you all items available for payment relevant to each of your children.
- Emails a receipt of your payment to the email address you register.
- Offers you the ability to set automated email/SMS payment reminders.

How does ParentPay help you?

- Gives you the freedom to make payments to school whenever and wherever you like.
- Stops you having to write cheques or search for cash to send to school.
- Gives you peace of mind that your payment has been made safely and securely.
- Helps with budgeting; payments are immediate, there is no waiting for cheques to clear.
- Payments for many of the larger trips can be made by instalments up to the due date.
- You never need miss a payment or have insufficient credit with automated email/SMS alerts.
- ParentPay is quick and easy to use.

How does ParentPay help our School?

- Offers an efficient payment collection process, making our school cashless so no money is held on the premises.
- Improves communication between school and parents concerning payments.
- Helps us to improve school-home communication with its integrated email/SMS messaging facility.

How do I get started?

School will send you an activation letter containing your username and password to enable you to set up your ParentPay account. During the activation process you will be guided through changing your username and password to something memorable; if you more than one child at a ParentPay school/s you can also add children to a single account providing one login for all children at ParentPay schools.
