

🏠 ✨ Our School Council Meeting! ✨ 🏠

📅 *Date:* 2/10/2025

👥 *Who was there:* School Council reps from Years 1-6 and Mrs Moore

📦 *Suggestion Boxes*

We looked at all the amazing ideas from the suggestion boxes! Children shared brilliant thoughts about playground games, new clubs, and ways to make our school even better! 📝

☐ Some ideas will be talked about more in our next meeting.

🏃 *Playground Ideas*

We explored the junior playground to get inspiration for new markings in the infant playground. Everyone shared games that would be fun for younger children to play. 🎯

💭 We're thinking about games like hopscotch, trails, and team zones!

Fundraising Fun

We came up with ideas for raising money for school projects. Lots of exciting ideas came up — we'll decide on our favourites soon! 🌟

💡 Maybe a bake sale, sponsored walk, or fun day?

🎮 School Clubs

We talked about clubs we'd like to have at school — sports, art, coding, reading, and more! We'll ask our classes what kinds of clubs children would love to join.

📄 Questionnaire Time!

Mrs Moore is making a questionnaire for everyone to fill in during class. This will help us find out what children across the school think about clubs, fundraising, and playground ideas.

🌟 What's Next?

- Share the questionnaire in your class
- Bring back the answers for our next meeting
- Keep collecting ideas for our school!

📅 **Next Meeting:** To be confirmed

♥ Thank you, School Council! You're making a difference!
