*a time each day to talk about your life and try to resolve issues*

*rugs in classrooms*

*trips including the RSC and Compton Verney*

*more interesting assemblies*

a den outdoors where people can relax  
lunchtime stationary for outside and books

## 2. Playground space/equipment

We are still waiting to hear if the school has been awarded a grant for new play equipment but as a school council, we noticed that the majority of requests from pupils was for new play equipment.

## 3. Focus for School Council next half-term

Several of the councillors voiced that they would like to organise a fundraiser for TJ to raise money for some additional resources in school. Ideas for a fundraiser were a cake stall or unwanted toys. We decided that a cake stall after school next half-term would be the most popular.

## Actions to be taken:

Mrs Moore will select three of the suggestions chosen by pupils as a fundraiser for next half-term. The school council members will be notified by an email to all class teachers and organise a class vote as to which one is most important to them. The most popular will be chosen as a fundraiser.

Mrs Moore to put up a School Council display once one has been established in the main corridor.

Date of next meeting - to be confirmed next half-term
